## SUMMARY OF INVESTIGATIVE FINDINGS

### INVESTIGATIVE SUMMARY:

The Corporate Security Department (CSD) initiated an investigation on July 23, 2015, concerning an allegation of disrespectful conduct and a threat of sexual assault made by Spiro Jannings toward his supervisor. The threat was allegedly made to Superintendent William Pierce regarding Spiro's supervisor, **REDACTED**. An investigation which encompassed six interviews and a review of relevant documents was conducted. The investigation substantiated the allegation and determined Jannings' actions violated the Employee Code of Conduct.

### PREDICATION:

On July 23, 2015, Labor Relations Specialist Vanessa Parker notified CSD of workplace violence concerns regarding a threat of sexual assault and the use of profanity by Jannings, toward his supervisor **REDACTED**. An investigation was initiated by Corporate Security Investigator James Leonard.

### INTERVIEWS CONDUCTED:

Manager, Gas Transmission & Distribution, William Pierce was interviewed by Leonard on July 24 and July 28, 2015. Pierce explained on July 15, 2015, shortly after 7:30 AM he was in the parking lot of the Fremont Service Center at 41800 Boscell Road, Fremont, after he provided

breakfast burritos to his crew. While in the lot, between the buildings and east of the center gate, he was contacted by Jannings. Jannings, aware Pierce was a superintendent, inquired about getting a "Super Crew" assignment. Jannings told him, "I've got to get out of this department." Jannings also made a contention about **REDACTED** direction regarding USA tickets.

Later the same day, during the afternoon, Pierce was in the Fremont Service Center yard, near the rear gate. Pierce was uncertain of the time, but estimated approximately 2:30 PM. There Pierce encountered Jannings, as Jannings drove his white company pick-up truck in the yard. Jannings stopped and Pierce spoke to Jannings as Jannings sat in the driver seat and Pierce stood at the open passenger window.

Pierce, who was smoking, gave Jannings a cigarette which Jannings smoked in the truck. Jannings began to discuss his supervisor **REDACTED** and stated, "F-cking **REDACTED** she's trying to put me on a DML. Just wait, I'll get her. She's going to feel my d-ck in her a-s. She's going to feel the pressure. She's going to feel me." While saying these words Jannings appeared angry and raised his voice. Jannings also jabbed his index finger toward Pierce in emphasis as he made the statements. Pierce confirmed to Leonard he was confident in his quotes of what Jannings said. After Jannings said these things, Pierce continued to speak with him to attempt to de-escalate his anger. Pierce told Jannings he needed to work through the situations to understand and meet his supervisor's expectations. Jannings contended he cleared 15 events a day. Pierce spoke to Jannings about "locate and mark" events versus "no conflict" events. Jannings said he was going to "tell Nick" about his unhappiness with his supervisor. Pierce understood that to mean Jannings contended he had a relationship with Gas Operations Executive Vice President Nick Stavropoulos. Pierce noted employees Chris Plummer and Joe Gozalez were seated in a car nearby doing paperwork while Pierce spoke with Jannings. Pierce did not know if they noticed him speak with Jannings.

Pierce was questioned specifically as to how he interpreted Janning's threat to sexually assault **REDACTED**. Pierce said the statement worried him, so during the afternoon of Thursday, July 16, 2015 he called **REDACTED** to tell her about it. **REDACTED** did not answer the phone call and Pierce opted not to leave a voice message. Pierce told his wife about Janning's threat but did not speak to anyone else in the company about it at that time. Pierce contemplated and struggled with the content of the threat for a day, and Janning's demeanor and anger as he said the words influenced Pierce not to discount them as figurative language. Pierce said in hindsight he should have escalated the statement immediately. During a telephone conversation with **REDACTED** on Thursday, July 23, 2015, Pierce informed her of Spiro's threat and urged her not to meet with Jannings alone in the future. **REDACTED** seemed disturbed when Pierce told her of Jannings' statements.

Locate and Mark Supervisor **REDACTED** was interviewed by Leonard on July 24, 2015. **REDACTED** recalled she had received a telephone call earlier from William Pierce but was unable to answer. Pierce supervised surveyors and **REDACTED** intended to return the call on the assumption it concerned response to tickets. **REDACTED** ultimately spoke with Pierce on July 23, 2015, by telephone, and at that time Pierce informed her of threatening statements about her, made to Pierce by Jannings. **REDACTED** recalled Pierce seemed uncomfortable and hesitant to quote Jannings' statements, and initially just said they were disgusting and vulgar. **REDACTED** pressed Pierce to fully explain the statements. Pierce then reluctantly said Jannings had stated, "That bitch is trying to put me on a DML; she's going to feel my pain, I'm going to stick my d-ck in her a-s and make her feel it."

Pierce told **REDACTED** to be careful with Jannings and suggested she have another supervisor present whenever she spoke with him in the course of business; Pierce offered to accompany **REDACTED** himself during any such meetings.

REDACTED explained in the past she had learned from other employees about an allegation Jannings had referred to her as a "bitch." She confronted Jannings about the comment in the past months. He acknowledged the accuracy of it, and explained he was sorry and was "venting." REDACTED told Jannings his actions were not acceptable, however, she did not document the incident. She recalled the event occurred early in 2015, but she could not recall the specific date. Referring to her having learned of Jannings' characterization of her, REDACTED admonished Jannings that if he was going to say disrespectful things about her, he should make sure the people he said them to didn't know her.

As an example of what she meant by that admonishment, REDACTED displayed for Leonard a text message on REDACTED telephone from July 21, 2015, 9:42 AM, from Edwin Morataya. The message stated, "I just met Spearow finally...What a character...This is Edwin by the way...Good Luck with this one."

REDACTED also described a telephone conversation she had with Jannings on July 17, 2015, when she called to offer Jannings overtime on the weekend. She was unaware at the time of any conversation between Jannings and Pierce. When Jannings answered the phone and recognized REDACTED he started "screaming" at her. He stated he did his best on the job and, "You're always on my a-s." REDACTED interjected and explained the overtime opportunity she had called about. On learning that, Jannings calmed down and agreed to the job, which was staffed with two other employees.

REDACTED became emotional several times during the interview with Leonard; to include when she explained she had to confide Jannings' threat to her husband for safety reasons. REDACTED noted she was a witness in a recent local investigating committee (LIC) meeting regarding a performance issue with Jannings.

REDACTED made a report to the Fremont Police Department regarding Jannings' threat to sexually assault her (Fremont Police Report # 150727029). REDACTED explained she made the police report because, "I can't trust him, I feel very uneasy, I don't know what he might do." Fieldperson Chris Plummer was interviewed by Leonard on July 29, 2015. Plummer worked on the Super Crew supervised by William Pierce. Plummer was questioned about any observations he may have had regarding Pierce speaking to Jannings on July 15, 2015. Plummer said he could not recall a specific date but did recall he was in proximity to Pierce in the past couple of weeks and had observed Jannings speak to Pierce. Plummer could not be certain if it was in the morning or afternoon but recalled it was the first time he had seen Jannings. He recalled Jannings arrived at the Fremont Service Center in his white F-250 locate truck. Plummer was in need of a "hook knife" at that time and asked Jannings if he had an extra knife. Jannings replied, "They treat you guys like dog sh-t around here." Plummer was surprised by Jannings' comment, having never met him before. He recalled Jannings sat in his truck when he made the statement. Jannings' voice was loud and he sounded angry and disgruntled. Plummer recalled his interaction with Jannings took place in the vicinity of the yellow crosswalk in the yard, just east of the gate. Moments later Plummer spoke to his partner, Joe Gonzalez, about the comments by Jannings. Gonzalez explained to Plummer he had past experience with Jannings and many people disliked Jannings due to his negativity. Leonard asked Plummer if he had been coached in any way prior to the interview and he said, "No."

Fieldperson Joseph Gonzalez was interviewed by Leonard on July 29, 2015. Gonzalez worked for Pierce on the Super Crew. Gonzalez was questioned about any observations of Jannings speaking with Pierce on July 15, 2015. Gonzalez said he could not recall a specific date but recalled Jannings spoke to Pierce in the Fremont Service Center yard in the last two or three weeks. Gonzalez knew it was not the week of July 20<sup>th</sup>. The event he recalled may have been

in the morning or afternoon. Jannings drove into the Fremont yard in a work truck and stopped near the middle of the lot. Pierce spoke to him there as Jannings remained seated in the truck. Gonzalez never overheard any of the conversation between Jannings and Pierce. Gonzalez recalled his partner Chris Plummer told him Jannings made a statement, "They are treating you surveyors like sh-t." Gonzalez explained to Plummer his past observations and experience with Jannings from San Mateo and Foster City assignments in 2012 and 2013, when Gonzalez experienced Jannings' complaining nature. Gonzalez used the words "upset" and "aggressive" to describe his past experiences with Jannings. Gonzalez said based upon his experiences with Jannings, "He seems like kinda an angry guy." Gonzalez was asked if he was coached by Pierce or Plummer prior to the interview with Leonard. He responded, "No, not at all."

Apprentice Fitter Edwin Morataya was interviewed by Leonard on July 30, 2015. Morataya explained he had previously worked for **REDACTED** and was now on a Super Crew. He was interviewed about a text he sent to **REDACTED** concerning Jannings. Edwin said approximately two weeks ago he was on a job at Fremont Boulevard and Central Avenue in Fremont, when he encountered Jannings on a locate and mark assignment. He had never met Jannings before. Jannings discussed with Morataya discipline Jannings was involved in due to **REDACTED** actions as his supervisor. Jannings described **REDACTED** allegations of his job performance and his belief **REDACTED** was checking up on him. Jannings complained **REDACTED** was asking contractors about his departure times from jobs. He further described her review of his time cards. Morataya recalled Jannings said, "She doesn't know what she's talking about." Jannings also said, "She's out to get me." Morataya informed Jannings he had worked for **REDACTED** and felt her expectations were easy to manage as long as one does their job. Morataya recalled Jannings was "very negative." Jannings made it very clear to Morataya that Jannings didn't like **REDACTED**.

#### **SUBJECT STATEMENT:**

Locate and Mark Field Person Spiro Jannings was interviewed on July 28, 2015, by Leonard and CSD Senior Investigator Kevin Griswold. Jannings was represented by Shop Steward Eugene Sanchez. Both were allowed to discuss the general aspects of the case prior to the interview and took several breaks during the interview.

Jannings explained he had been with PG&E since 2013 and recalled he received compliance and ethics training when he was hired. When asked about Employee Code of Conduct expectations relative to treatment of others at PG&E he replied, "With the utmost respect." When asked about any conversation he had with Bill Pierce on July 15, 2015, at the Fremont Service Center, Jannings explained he spoke to Pierce in the morning about Super Crew opportunities. Asked if he spoke to Pierce that day regarding his supervisor, **REDACTED** Jannings replied, "Just said we had a little bit of a problem, that was about it, didn't elaborate on anything." Jannings contended nothing more was said about **REDACTED**. Regarding his inquiry about a position in the Super Crew, Pierce told Jannings he was not a team player and a transfer was not going to happen.

Jannings was asked specifically about statements regarding **REDACTED** allegedly made by him to Pierce. Asked if he said, "F-cking Bobbie, she's trying to put me on a DML," Jannings said, "No never said that." Asked if he said, "Just wait, I'll get her," he said, "No, never said that, I know better than that." Asked if he said, "She's going to feel my d-ck in her a-s," Jannings said, "No way, not even." Asked if he said, "She's going to feel the pressure," Jannings said, "Never." Asked if he said, "She's going to feel me," he said, "No, never, she's my supervisor, you don't do stupid stuff like that." Asked if he ever said anything to Pierce similar to those alleged statements, Jannings replied, "Never said any of that stuff ever, that's fabricated." Jannings

said he only spoke with Pierce on July 15, 2015 in the morning; he did not speak to Pierce in the afternoon. In fact, Jannings stated, he was not even at the Fremont Service Center the afternoon of July 15, 2015. He recalled he arrived there at approximately 7:00 AM that day, was in the bull room, was with his truck in the lot, later fueled his truck, worked on his tablet, conducted locates and then went directly home from the field.

The shop steward questioned the time line of events in this investigation and commented training required immediate action by a supervisor for statements such as those alleged to have been made by Jannings.

Jannings was asked if Pierce was lying about what he claimed Jannings said about **REDACTED**. Jannings responded, "Heck yeah he is, that's serious stuff, instant termination!" Jannings was asked what would motivate Pierce to lie about what Jannings said. Jannings responded, "I don't know, everything has been kosher, looks like he turned on me." He explained he had never been reprimanded by Pierce, did not work for him, and always responded when Pierce called him in the past while on call.

Jannings was asked if he ever told Pierce he cleared 15 tags a day. Jannings said he recalled he made that statement. Asked the context of that statement given his assertion he did not speak about **REDACTED**. Jannings explained he believed Pierce asked him about his work ethic relative to Super Crew.

Jannings added he only spoke to Pierce the morning of July 15, 2015 while he was seated in his truck. Asked if there was any possible way he made any form of statement similar to the allegations in this matter, Jannings elected to take a break and consult his steward. Upon return he recalled the question and said he never made any similar statements. He added Pierce had provided him a cigarette which he smoked in front of Pierce while in his work truck. Concerning his meeting on July 24, 2015, with Supervisor John Camera and direction to be off duty with pay due to an investigation, Jannings recalled the admonishment to keep the investigation confidential. The interview was concluded with an admonition to Jannings the investigation was on-going and information remained confidential with the exception of his shop steward or business agent. He said he understood.

#### ADDITIONAL INVESTIGATION

Available company documentation was reviewed with regard to Jannings' assertion he fueled his truck on July 15, 2015 and was not at the Fremont Service Center that afternoon.

A review of cell phone activity for the company phone assigned to **REDACTED** **REDACTED** revealed a nine minute phone call to Jannings' phone, 650-242-7030, at 11:48 AM on July 17, 2015 at 11:48 AM. Additionally, on July 27, 2015, 3:18 PM, a 27 minute phone call was noted between Pierce and **REDACTED**. Those calls correlated with information from Pierce and **REDACTED** about **REDACTED** overtime offer conversation with Jannings, and Pierce's discussion with **REDACTED** about Jannings' alleged threats against her.

A review of cell phone activity for the company phone assigned to Jannings, 650-242-7030, revealed 30 calls on July 15, 2015. Calls which indicated a Fremont origination occurred that afternoon at 1:30 (1 minute), 1:34 (2 minutes), 1:39 (1 minute), 2:42 (24 minutes), 3:07 (5 minutes) and 3:22 (12 minutes). A call at 3:37 PM (9 minutes) indicated a Santa Clara origination.

Locate and Mark ticket locations for Jannings on the afternoon of July 15, 2015, indicated he was from 1.5 to 3.13 miles away from the Fremont Service Center. Time frames from ticket information revealed an overlap in documentation. A review of Locate and Mark tickets and cell calls for the afternoon of July 15, 2015 for Jannings showed:

Cell Call	Locate Time Arrived:	Locate Time Departed:	Locate Time:	Location:	Number Called

A review of fuel records for Spiro Jannings and vehicle B22853 showed Jannings fueled his truck on July 13, 2015, with 24.9 gallons and on July 16, 2015, with 33.3 gallons. No fuel was obtained on July 15, 2015.

There were no recorded access card swipes at the Fremont Service Center for Jannings on July 15, 2015. The Fremont Service Center is not equipped with security cameras.

## MITIGATING OR AGGRAVATING FACTORS

Jannings was cordial during his CSD interview. Jannings was previously counseled by **REDACTED** concerning his making of disparaging remarks about her to other employees.

## CONCLUSION

The Employee Code of Conduct requires employees to "Treat fellow employees and customers with respect." Additionally, employees are prohibited from acts or threats of physical violence or intimidation. Though Pierce's report of Jannings' threat toward **REDACTED** was not submitted with the timeliness expected of a person in Pierce's position, CSD found no basis to support Jannings' assertion the report was a fabrication. To the contrary, Jannings had a history of

antagonism toward **REDACTED** witnesses confirmed Jannings and Pierce spoke together at about the time in question, records indicated Jannings was in Fremont the afternoon he and Pierce allegedly spoke, and no logical foundation was revealed for why Pierce should be disbelieved or would be motivated to invent an allegation of such detail and magnitude concerning Jannings. CSD therefore concluded a violation of the Employee Code of Conduct was committed by Jannings with respect to disrespectful treatment of and a threat of violence toward his supervisor.

All policies, standards, and admonitions relating to employee conduct investigations were followed during this investigation. Please advise this department of any action taken in connection with this matter. Please refer any questions to Corporate Security Investigator, James Leonard, at **REDACTED**.

3 **SUBJECT STATEMENT:**

4

5 Locate and Mark Field Person Spiro Jannings was interviewed on July 28, 2015, by Leonhard  
6 and Senior Investigator Kevin Griswold. Jannings was represented by Shop Steward Eugene  
7 Sanchez. Both were allowed to discuss the general aspects of the case prior to questioning and  
8 took several breaks during the interview.

9

10 Jannings explained he has been with PG&E since 2013 and recalls compliance and ethics  
11 training when he was hired. When asked about Employee Code of Conduct expectations  
12 relative to treating others at PG&E he replied, "With the utmost respect." When he was asked  
13 about any conversation with Bill Pierce on July 15, 2015, at the Fremont Service Center, he  
14 explained he spoke to Pierce about supercrew opportunities in the morning. When asked if he  
15 spoke to Pierce regarding his supervisor, **REDACTED** he said, "Just said we had a little bit of  
16 a problem, that was about it, didn't elaborate on anything." He contended nothing more was  
17 said about **REDACTED** He explained that regarding his inquiry about a position in the supercrew,  
18 Pierce explained **REDACTED** was not a team player and a transfer was not going to happen.

1 never, she's my supervisor, you don't do stupid stuff like that." When asked if he ever said  
2 anything similar to the alleged statements to Pierce he said, "Never said any of that stuff ever,  
3 that's fabricated." He continued to explain he only spoke with pierce on the 15<sup>th</sup> in the morning;  
4 he did not speak to him in the afternoon. He explained he was not at the Fremont Service  
5 Center in the afternoon. He described he arrived there at approximately 7:00 AM, was in the  
6 bull room, was with his truck in the lot, later fueled, worked on his tablet, conducted locates and  
7 went directly home from the field.

8 The shop steward questioned the time line of events and commented training required  
9 immediate action by a supervisor if such statements had been made.

10 Griswold asked Jannings if Pierce was lying; Jannings responded, "Heck yeah he is, that's  
11 serious stuff, instant termination!" Leonard asked Jannings what would motivate Pierce to lie  
12 about the statement. Jannings responded, "I don't know, everything has been kosher, looks like  
13 he turned on me." He explained he had never been reprimanded by Pierce, he does not work  
14 for him, and always responded when Pierce called him in the past while on call.

15 Leonard asked Jannings if he every explained to Pierce that he cleared 15 tags a day.  
16 Jannings explained he recalled making that statement. When asked the context of his statement  
17 given his assertion he did not speak about **REDACTED** he explained he believed Pierce asked him  
18 about his work ethic relative to supercrew.

19 Jannings added he only spoke to Pierce in the morning while he was seated in his truck. When  
20 asked if there was any possible way he made any form of statement similar to the allegations  
21 Jannings elected to take a break and consult his steward. Upon return he recalled the question  
22 and said he never made any similar statements. He added Pierce had provided him a cigarette  
23 which he smoked in front of Pierce while in his work truck.

1 In response to questions about his meeting on July 24, 2015, with Supervisor John Camera and  
2 direction to be off duty with pay due to an investigation Jannings recalled the admonishment to  
3 keep the investigation confidential. The interview was concluded with an admonition to  
4 Jannings the investigation was on-going and information remained confidential with the  
5 exception of his shop steward or business agent. He said he understood.
